

DIRECTIONS TO ENERGINAUTICS OFFICE DARMSTADT

WALKING FROM THE TRAIN STATION TO ENERGINAUTICS, ABOUT 5MIN:

Go to the west exit of the train station (coming up from the tracks, it is on the right hand side). Go down the escalator and turn right. Go down the street Zweifalltorweg (here you will find a bus stop) in the direction of the car park and B&B hotel. After passing the car park, take a right turn onto Robert-Bosch-Straße. Our office is inside the Technology and Innovation Centre (TIZ). It is the third building on the right hand side, in Robert-Bosch-Str. 7. Enter at the main entrance.

BY CAR TO ENERGINAUTICS:

Coming from the motorway A5 take exit 26 Dreieck Darmstadt which merges with A672 and goes towards Darmstadt/Griesheim. Continue onto Rheinstraße (follow signs for Aschaffenburg/Darmstadt/B26). Also follow the signs for ESOC. Exit right onto Eifelring and then turn right onto Maria-Goeppert-Straße (follow signs for Oppenheim/B26/Griesheim). Maria-Goeppert-Straße turns left and becomes Robert-Bosch-Straße. The Technology and Innovation Centre (TIZ) with our office inside will be on the left, just behind the ESOC property.

Outside the TIZ there are only a few free parking lots. Therefore we recommend using the car park at the end of Robert-Bosch-Straße, on the corner with Zweifalltorweg.

INSIDE THE TIZ BUILDING :

Our office is located on the 2nd floor, building section D. The office entrance can be found at the end of the hall way on the right hand side.
